（裏面にわたる場合は、この線より下に解答すること。）

(If your answer is longer than the space provided, you can write on the back of this page, but please write below this line.)

Q Describe the research you intend to pursue in your doctoral program, addressing the following five points. Please include hand-drawn diagrams, sketches, or flowcharts to make your explanation clearer. You may use both sides of the paper if needed.

1. Objective
2. Background
3. Goal
4. Methods
5. Significance
